Dear _____:

Greetings to you in the Precious Name of our Lord and Savior Jesus Christ! I hope this letter finds you in good spirit and good health.

I am writing to solicit your help on behalf of my church, Grant African Methodist Episcopal Church (GAME). For the last 109 years, GAME has served the community of Watts in South Los Angeles by feeding the hungry, clothing the naked, helping the homeless, educating the children, and sharing the love of God.

GAME prides itself on its leadership in many worthwhile and progressive programs offered to the community:

- The Kirkland Academy, MATH Institute and STEM (*Science, Technology, Engineering and Math*) Programs provide tutorial and other educational support for our young people from elementary through high school, by enhancing their academic skills, with a focus toward preparing them for college.
- The Male Mentoring Ministry and Daughters of Destiny are outreach programs designed to empower young men and women as they face challenges managing their relationships, education, and life goals.
- The Food giveaway, clothing and children's shoes donation programs provide ongoing assistance in helping those in need. Additionally, our collaborative efforts through our non-profit organization—Grant Housing and Economic Development Corporation—provide housing for 92 families of lower economic means.
- The *Labor of Love* Summer Day Camp provides tutorial assistance, as well as educational field trips, recreational endeavors, music, arts and crafts to over 100 young people in the community. This program has been met with such tremendous response, that we have had to turn families away due to capacity limitations.

The foregoing programs and ministries represent just a small example of the outstanding services provided by Grant AME Church. In order to further this good work, we are requesting your help in our fundraising efforts. Your most generous gift would be appreciated.

Please make your check payable to Grant AME Church. Or if you prefer, you may visit the Church's website at GrantAMEChurch.org/giving/. Your donation is tax-deductible.

Thank you in advance for your generosity, and may God Bless and prosper you now and in the future.

Sincerely,
