### **Goals**

There are four goals for the Kirkland Academy For Excellence STEM MANIA 3!

- To provide academically enriching activities and experiences designed to close the opportunity gap between the communities of Southern California.
- To provide nutritious meals and snacks for children during the summer months when schools are out of session.
- To provide a safe and supervised environment for children when schools are out of session.
- To increase the cultural capital of children by exposing them to enriching experiences and activities.
