Hello Kirkland Academy Families!

Greetings from Grant AME Church! You are receiving this letter because your children participated in our **Kirkland Academy for Excellence Summer Science Day Camps**. Unfortunately, we will not provide the program for this summer (2020) because of the Covid 19 Pandemic Outbreak. We are, however, holding a Tuesday Science Fun online program each Tuesday during the month of July. (July 7th, July 14th, July 20th, July 27th)

Registration is limited. If you are interested in having your child(ren) participate, you need to return the included application to Grant AME Church Attention Kirkland Academy. You can use the Grant AME Church Office Dropbox on the southside of the church or return by mail to Grant AME Church, 10435 South Central Avenue, Los Angeles, CA 90002 by **June 6, 2020**. We will need an email address and you will need access to a smart phone, computer, or tablet. We will assign students to the online classes on a first come first served basis. We will email you a confirmation notice that your child(ren) have been enrolled.

The hands-on activities and experiences will require simple items that can be found around the house. We want to continue to encourage our young scientists to explore physical and biological science! We also want our young scientists to stay in touch with their teachers and each other.

Our church also offers several additional programs that serve the youth of our church and community. We are extending an invitation to you to participate in these valuable programs. We have included a list of these programs/activities and information on how your family can participate. We look forward to working with you and your children.

Sincerely,

Reverend Dr. J. Arthur Rumph
